Certain provisions of California law apply to current and former members of the U.S. Military who have been charged with a crime when certain conditions are met. *Please see the back of this form for more information.* To submit this form as a party in a criminal case you must file it with the court and serve it on the prosecuting attorney and defense counsel. Filing of this notification form does not substitute for filing of other forms or petitions that are required by your court case. If you are requesting consideration or restorative relief under Penal Code section 1170.9, this form alone will not meet the requirement that you assert to the court that the crime you were charged with was a result of a condition caused by your military service. If you are filing for other relief from financial obligation during military service, a notification of military deployment and request to modify a support order, or other relief under the Service Member's Civil Relief Act (50 App. U.S.C. §§ 501-597(b)), you must complete the appropriate forms, and completion of this form is not required. Please see MIL-010 (*Notice of Petition and Petition for Relief from Financial Obligations During Military Service*) and form FL-398 (*Notice of Activation of Military Service and Deployment and Request to Modify a Support Order*).
